This year The Georgia Draft Horse Association is very proud to be partnering with the Percheron Horse Association of America who will be providing us with clinicians for mane rolling and showmanship.

You won't want to miss this.

This is for everyone that is interested in showing their draft horse, draft cross or light draft. I encourage everyone to bring your horse, so you learn together. Plus, we can help you fit your harness/tack to you horse. However, there will be horses there for demonstrations. This is a very hands-on clinic.

Itinerary:	11 AM	Mane Rolling, tail braiding and tail sprigs (decorating). During this 2-hour session you will learn how to set up your horse for Halter and show hitch classes. Plus learn how to compete in a Decorating class. We will put what you have learned in this session to the test with a Decorating class the next day at the Spring Show.
	1 PM	Lunch Break
	2 PM	Halter showmanship and trailing instruction.
	3 PM	Harnessing and driving.

Cost: **FREE!**
